Dear Mr. Daly,

I, **Chad Conway**, am currently being proposed as key personnel (**Site Cleanup Supervisor**) for Technical Qualifications being submitted to Texas Commission on Environmental Quality (TCEQ) in response to **RFP Number 582-18-80003** for the procurement of Assessment, Investigation, and Remediation Services. TCEQ requires Responders to inform references that TCEQ may contact them about past performance information.

The TCEQ Representative may ask you to confirm if the information provided with the submittal is accurate and if I am in good standing with you. TCEQ's inquiries will likely be made via telephone or e-mail.

If you are contacted by TCEQ for information on work we have performed on the **Niagara Falls Boulevard Radiation Site project in Niagara Falls, NY**, you are hereby authorized to respond to TCEQ inquiries. Under the Public Information Act, Texas Government Code Chapter 552, your responses may be subject to public disclosure as records of TCEQ. I agree to hold you harmless for any statement or opinion you express in response to these inquiries regarding my performance or qualifications.

Your cooperation is appreciated. Please direct any questions to Ashby McMullan, Program Director, at (210) 488-7358.
